

Sleeping by Myself Eddie Vedder – V1

(F)I should have known (Dm)there was someone (Am)else
(F)Down below (Dm)I always (Am)kept it to myself

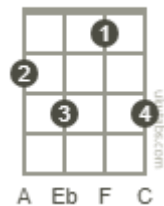

Now I bel(Bb)ieve in nothing, (C7)not today
As I (Am7)move myself out of your (Dsus4)sight (D)
(Bb)I'll be sleeping (C7)by myself (F)tonight

(F)I could never (Dm) go to no one (Am)else
(F)The hurt don't show, (Dm)but who knows, (Am)time will tell
I bel(Bb)ieve in nothing, (C7)but the pain and
I (Am7)can't see this turning out (Dsus4)right (D)
Oh, (Bb)I'll be sleeping (C7)by myself (F)tonight

For(F7)ever be sad and lonely
For(A7)ever never be the (Bb)same
I close my eyes, (G7)wait for a sign
(C7)am I just waiting in vain? Oh

I be(F)lieve in love (Dm)and disas(Am)ter
(F) Sometimes the (Dm) two are just the (Am) same
I'm (Bb) beginning to see, (C7)what's left of me
Is (Am7)gonna have to be (Dsus4)free to (D) survive

(Bb)I'll be sleeping (C7)by myself
(Bb)I'll be sleeping (C7)by myself
(Bb)I'll be sleeping (C7)by myself to(F/)night
