

# Caught by the Fuzz V1

[Intro] - [A] [A] [A] [A]

[A] Caught by the [D] fuzz, well I was  
[C#m] Still on the [F#m] buzz  
[A] In the back of the [D] van  
With my [C#m] head in my [F#m] hands [G#m]  
[A] It's like a bad [D] dream  
I was [C#m] only [F#m] 15  
If [Bm] only my brother could [C#m] be here now  
He'd [F#m] get me out and [E] sort me out [D] alright  
I [D]knew I should have [E] stayed at home [A] tonight

[A] Locked in the [D] cell  
[C#m] Feeling un [F#m] well  
[A] I talk to a man [D] he says  
[C#m] Better to [F#m] tell [G#m]  
[A] Who sold you the [D] blow  
Well it was [C#m] no one I [F#m] know  
If [Bm] only you'd tell us we'd [C#m] let you go  
We'll [F#] make it hard for [E] you my son, so [D] tell us what you know  
[D] We'll make you wish you'd [E] stayed at home tonight

[Bridge]

[F#m] Oooh [G#m] ahh [D] ooh [E] ahh [F] ooo – [Bb] ooooo [E] – [A] ooo  
[F#m] Oooh [G#m] ahh [D] ooh [E] ahh [F] ooo – [Bb] ooooo [E] – [A] ooo

[A] Here comes my [D] mum  
Well she [C#m] knows what I've [F#m] done  
[A] Just tell them the truth [D]  
[C#m] You know where it's [F#m] from [G#m]  
[A] You've blacken'd our [D] name  
Well you [C#m] should be asha [F#m] med  
If [Bm] only you're father could [C#m] see you now  
He'd [F#] break down and he'd [E] throw you out for [D] sure  
[D]I never should have [E] let you out...
