

Prettiest Eyes - Beautiful South V1

[D] [G]

[D] [A] [G] [D]

[D] Line One [G] is the time

[D] when you, you [A] first stayed [G] over at [D] mine.

And we [A] drank our first [G] bottle of [D] wine.

[A] [G] Then we [D] cried.

(Drum tick starts)

Two, we're [G] away,

[D] and we both, we [A] both had [G] nowhere to [D] stay.

Well, the [A] bus shelter's [G] always [D] okay,

[A] [G] when you're [D] young.

(Bass starts)

Now you're [D] older and I look at your [G] face,

Every [D] wrinkle is so easy to [G] place,

And I [D] only write them down just in [Bm] case

That you [A] die.

[Chorus]

Just take a look at these [D] crows feet, just [Bm] look

[G] Sitting on the prettiest [A] eyes,

[D] Sixty twenty-fifth of [Bm] Decembers,

[G] Fifty-nine fourth of [A] Julys.

[G] Not through the age or the [A] failure children,

[D] Not through the hate or des[Bm]pise.

[D] Take a good look at these [Bm] crows feet,

[A] Sitting on the [G] prettiest [D] eyes

(Drum tap / bass stops)

[D] Line Three, [G] I forget,

[D] But I think, I [A] think it was our [G] first ever [D] bet,

And the [A] horse we backed was [G] short of a [D] leg -

[A] [G] Never [D] mind

(Drum tap starts)

[D] Four, [G] in a park,

[D] And the things, the [A] things that people [G] do in the [D] dark.

I could [A] hear the faintest [G] beat of your [D] heart

[A] [G] Then we [D] did.

(Bass starts)

Now you're **[D]** older and I look at your **[G]** face,
Every **[D]** wrinkle is so easy to **[G]** place,

(Twiddly bit)

Well, my **[D/]** eyes look like a **[G/]** map of the **[D/]** town
And my **[D/]** teeth are either **[G/]** yellow or they're **[D/]** brown
But you'll **[G]**never hear the **[A]** crack of a **[D]** frown when you are **[Bm]**here
You'll **[G]** never hear the **[A]** crack of a **[D]** frown.
[G] Of a **[A]** frown...**[D]**
[G] Of a **[A]** frown...**[D]**
[G] Of a **[A]** frown...**[D]**
