

[Intro]

[C] [F] [G]

[C] Slept high up in the Rockies
set my cl **[F]** ock for calif **[G]** orn-i-ey-aye. **[C] [F] [C]**
And I **[Em]** dreamed up somethin' special
to give that **[F]** ocean man, she **[G]** cuffs me anyway. **[C] [F] [C]**

So I'm **[C]** banking on Virginia
to **[F]** keep me calm and **[G]** clear and **[C]** straight. **[F] [C]**
Just like **[Em]** clock work seems to tell us
with every **[F]** passing storm there's **[G]** just a harder **[C]** hail. **[F] [C]**

[Chorus]

So I **[F]** light my **[C]** way, **[F]** Virginia **[Am]** May
I **[C]** can't sit still, just pace across this **[G]** hallway.
We spent **[F]** all this **[C]** time
just **[F]** trading **[Am]** crimes,
while the tune**[G]**-smith packed a lunch,
he's headed **[F]** down the coastline. **[C] [F] [C]**

[C] [F] [G] [C] [F] [C]

There's a **[C]** loneliness that's blowin'
well I **[F]** heard it from the **[G]** radio **[C]** man. **[F] [C]**
He's been **[Em]** locked up in the belfry
listening **[F]** close to a **[G]** string upon a **[C]** can **[F] [C]**

Me, I'm **[C]** sailin on to that savior,
she's a **[F]** pilgrim living **[G]** on the modern **[C]** time. **[F] [C]**
And ever **[Em]** since I found her magic
now every **[F]** car or cloud that **[G]** passes is a **[C]** sign **[F] [C]**

[Chorus]

So I **[F]** light my **[C]** way, **[F]** Virginia **[Am]** May
I **[C]** can't sit still, just pace across this **[G]** hallway.
We spent **[F]** all this **[C]** time
just **[F]** trading **[Am]** crimes,

[Outro]

and I'm **[G]** saving all my sleep **[F]** for another **[C]** life
and I'm **[G]** saving all my sleep **[F]** for another **[C]** life
I'm **[G]** saving all my sleep **[F]** for another **[C]** life
