

No Children - Mountain Goats – V1

INTRO

[Em] [A] [Em] [A]
[F] [G][C][C]

[C] I hope that our few re [G] maining friends
[F] Give up on trying to [G] save us
[C] I hope we come up with a [G] fail-safe plot
To [F] piss off the dumb few that for [C] gave us
[C] I hope the fences we [G] mended
[F] Fall down beneath their own [G] weight
And [C] I hope we hang on past the [Am] last exit
I [F] hope it's already too [G] late

And I [C] hope the junkyard a few blocks from here [Cmaj7]
[Am] Someday burns down [Am7]
And [F] I hope the rising black smoke carries me far away
And I never come [G] back to this town [F] again

In my [G] life, I hope I [C] lie
And tell [F] everyone you were a good wife
And I hope you [D] die, I hope we [G] both die [C]

MIDTRO

[Em] [A] [Em] [A]
[F] [G][C][C]

[C] I hope I cut myself [G] shaving tomorrow
[F] I hope it bleeds all day [C] long
Our [C] friends say it's darkest be [G] fore the sun rises
[F] We're pretty sure they're all [C] wrong
I [C] hope it stays dark for [G] ever
[F] I hope the worst isn't [G] over
And [C] I hope you blink before [Am] I do
And [F] I hope I never get [G] sober

And I **[C]** hope when you think of me years down the line **[Cmaj7]**
You **[Am]** can't find one good thing to say **[Am7]**
And I'd **[F]** hope that if I found the strength to walk out
You'd stay the hell out of my **[G]** way

I am **[F]** drowning, there is no sign of **[G]** land
You are coming down **[C]** with me, **[F]** hand in unlovable hand
And I hope you **[C]** die, I hope we **[G]** both die **[C]**

OUTRO

[Em] [A] [Em] [A]
[F] [G] [C] [C] x2
[C] [C]

The image shows three staves of guitar tablature for the Outro section. The first staff is for the Em chord, with a capo at fret 1. The second staff is for the A chord. The third staff is for the Em chord. The fourth staff shows the C major scale starting at the 7th fret. The tablature includes fingerings and a hammer-on/pull-off symbol.
