

Say Hello, Wave Goodbye – David Grey - v1

[Cmaj7/] [F/] [G7/] x2

[Cmaj7] Standing in the door of the [F] Pink Fla [G7] mingo
Crying [Cmaj7] in the rain [F] [G7]

[Cmaj7] It was a kind of so [F] so [G7] love
And I'm [Cmaj7] going to make sure it never [F] happens a [G7] gain
[Cmaj7] You and I, it [F] had to [G7] be
The [Cmaj7] standing joke of the year [F] [G7]
[Cmaj7] You were a sleep around, [F] a lost [G7] and found
[Cmaj7] And not for me I [F] fear [G7]

[Cmaj7] [F] [G7] x2

[Cmaj7] I tried to make it work [F] You in a [G7] cocktail skirt
And [Cmaj7] me in a suit, well it [F] just wasn't [G7] me
[Cmaj7] You're used to wearing less [F] And now your [G7] life's a mess
[Cmaj7] So insecure you [F] see [G7]
[Cmaj7] I put up with all the scenes, and [F] this is one [G7] scene
That's [Cmaj7] going to be played my [F] way [G7]

[C] Take your [Am] hands off [Em] me [F] [G]
[C] I don't be [Am] long to [Em] you, you [F] see [G]
[C] take a [Am] look at my [Em] face
For the [F] last time [G]
[C] I never knew you, [Am] you never knew me
[Em] Say hello good bye [F] [G]
[Cmaj7] Say hel [F] lo [G7] wave good [Cmaj7] bye [F] [G7]
[Cmaj7] Say hel [F] lo [G7] wave good [Cmaj7] bye [F] [G7]

[Cmaj7] Under the deep red light [F] I can see the makeup [Cmaj7] sliding
down [F] [G7]
[Cmaj7] Well hey little girl you will [F] always make [G7] up
So [Cmaj7] take off that unbe [F] coming [G7] frown
[Cmaj7] As for me - well [F] I'll find someone
Who's [Cmaj7] not going cheap in the [F] sales [G7]
A [Cmaj7] nice little housewife who'll [F] give me a [G7] steady life
And [Cmaj7] won't keep going [F] off the [G7] rails
