

# Annabel's House – Lola Young – v1

## [Intro]

[Bb] [Gm] [Dm] [Eb]

## [Verse 1]

[Bb]..Too many drugs in my [Gm] system, system

[Dm]..I tell a joke, you don't [Eb] listen

I fucked the punchline [Bb] anyway

Your phone wouldn't charge

[Gm] ..Too far to walk with no car

[Dm]..In that shirt, you're breaking my heart... [Eb]

## [Pre-Chorus]

And you'll call [Bb] me up again at 12 o' [Gm] clock on a Friday

And I'll [Dm] answer way too quickly

And [Eb] I hate that I might say that I

[Bb] ..Love you, I [Gm] do

Love you, I [Dm] do

Love you, I [Eb] do

## [Chorus]

Back from the [Bb] party

At Annabel's [Gm] house

You tell me you [Dm] want me

And spit in my [Eb] mouth

I don't say your [Bb] name

When your girlfriend's [Gm] around

You say she can [Dm] tell

She can tell

She can [Eb] tell

So, never wanna let it [Bb] out.... [Gm]

Never wanna let it [Dm] out... [Eb]

I'm never gonna let it out [Bb]

## [Verse 2]

I crossed your name off my [Gm] wishlist, wishlist

[Dm]..I know it's none of my [Eb] business

But are you with her [Bb] Saturday?

Some tears I don't show

[Gm]..You're a dick and you know it

[Dm]..You're the best and you blow [Eb] it
