

## Arms Length – Sam Fender – v1

[G] I was making out then that I was fine in [Cadd9] life

[G] Oh, maybe you can do anything that you want to [Cadd9] night

### [Chorus]

[D] Oh, do you have to know me, know me [Em7] inside [Cadd9] out?

[D] Do you have to know me, know me [Em7] inside [Cadd9] out?

[G] I was holding on hard for a kind of [Cadd9] friend

[G] Oh, a blazing inferno of fuck-ups kind of [Cadd9] got in my way

### [Chorus]

[D] Oh, do you have to know me, know me [Em7] inside [Cadd9] out?

[D] Do you have to know me, know me [Em7] inside [Cadd9] out

To have a good [D] time? [Cadd9]

[G] Holding hands back of the ride home

Baby, you're looking like you're out to [Cadd9] kill

[G] I'm selfish, and I'm lonely

Arm's length, small [Cadd9] talk, and then some company

### [Chorus]

But, oh, [D] do you have to know me, know me [Em7] inside [Cadd9] out?

[D] Do you have to know me, know me [Em7] inside [Cadd9] out?

[D] Do you have to know me, know me, [Em7] know me?

[Cadd9] Do you have to know me, know me, [Em7] know me?

[D] Do you have to know me, know me [Em7] inside [Cadd9] out

To have a good [D] time? [Em7] [Cadd9]

### [Outro]

Oh, to have a good [D] time [Em7] [Cadd9]

Have a good [D] time [Em7] [Cadd9]

Have a good [D] time [Em7] [Cadd9]

Oh-ah, oh, oh

[D] Do you have to know me, know me, know me?

[Cadd9] Do you have to know me, know me, know me?

[D] Do you have to know me, know me, know me?

[Cadd9] Do you have to know me, know me, know me?

[D] Do you have to know me, know me, know me?

[Cadd9] Do you have to know me, know me, know me?

[D] Do you have to know me, know me, know me?

[Cadd9] Do you have to know me, know me, know me?
