

## Four Seasons in One Day – Crowded House – v1

[Em] [D] [G] [Am]

[Em] Four seasons [D] in one [G] day  
[Am] Lying in the depths of your imagination  
[Em] Worlds above and [D] worlds [G] below  
The [Am] sun shines on the black clouds  
Hanging over the do-[C]main

[Bm] Even when you're feeling [C] warm  
The [Bm] temperature could drop a-[Am]way  
Like [D] four seasons in one [G] day

[Em] Smiling as the [D] shit comes [G] down  
[Am] You can tell a man from what he has to say  
[Em] Everything gets [D] turned A[G] round  
And [Am] I will risk my neck again again [C]

[Bm] You can take me where you [C] will  
[Bm] Up the creek and through the [Am] mill  
Like [Bm] all the things you can't [C] explain  
[D/] Four seasons in one [G] day

[C] Blood [Am7] dries [G] up  
Like [D] rain, like [Em] rain  
[C] Fills my [G] cup  
[D/] Like four seasons in one [Em] day

[C] [B7] [D] [G] [Am]

[Am] It doesn't pay to make predictions  
[Em] Sleeping on an [D] unmade [G] bed  
[Am] Finding out wherever there is comfort  
There is [C] pain  
[Bm] Only one step a-[C]way  
Like [D] four seasons in one [G] day

[C] Blood dries [G] up  
Like [D] rain, like [Em] rain  
[C] Fills my [G] cup  
[D/] Like four seasons in one [Em-fan] day
