

## Take a Sexy Picture of Me CMAT – v1

### [Intro]

[Ab] [Bbm] [Ab][Bbm]

### [Verse 1]

Ever [Ab] since I was a little girl  
I only [Bbm] wanted to be sexy  
[Ab] Nine years old tryna wax my legs with [Bbm] tape  
There are [Ab] some things only I can see  
A little [Bbm] spot that can't be lifted  
On my [Ab] left hand  
Digging like a car [Bbm] key, so you [Eb]see

### [Chorus]

[Bbm] I've been having a horrible time of late  
I get none of your sympathy but all of the [Ab] pain hits  
And the [Eb] fog lifts  
And then it's [Bbm] too much for therapy  
Oh baby, [Ab] heed my sol[Eb]ution  
And [Bbm] take a sexy picture, take a sexy picture of [Ab] me  
[Bbm].. and make me look 16 [Ab] [Bbm]

### [Verse 2]

Listen!  
I did the [Ab] butcher, I did the baker  
I did the home and the family maker  
I did [Bbm] schoolgirl fantasies  
I did [Ab] leg things and hand stuff  
And single woman banter  
Now [Bbm] tell me what was in it for [Eb] me?

### [Chorus]

[Bbm] I've been having a horrible time of late  
I get none of your sympathy but all of the [Ab] pain hits  
And the [Eb] fog lifts  
And then it's [Bbm] too much for therapy  
Oh baby, [Ab] heed my sol[Eb]ution  
And [Bbm] take a sexy picture, take a sexy picture of [Ab] me  
[Bbm].. and make me look 15 [Ab] [Bbm]

### [Bridge]

You haven't **[Bbm]** looked at me the same since I turned 27  
Where **[Fm]** goes my potential? Oh she's up in heaven?  
Rest in **[Bbm]** peace to any chance of me dating within my station  
Ah-**[Fm]**ah, ooh-ooh, ah-ah, ooh-ooh  
No **[Bbm]** doctor or pope can grant diagnosis  
I've **[Fm]** peeled through the forums, there's no cure for old sis  
But here's a **[Bbm]**message to the party girls dragged out by their ankles  
I'm **[Eb]** here if you need me, deep in your afters

### [Chorus]

**[Bbm]** I've been having a horrible time of late  
I get none of your sympathy but all of the **[Ab]** pain hits  
And the **[Eb]** fog lifts  
And then it's **[Bbm]** too much for therapy  
Oh baby, **[Ab]** heed my sol**[Eb]**ution  
And **[Bbm]** take a sexy picture, take a sexy picture  
**[Bbm]** Can't you see me wither? take a sexy picture of **[Ab]** me  
**[Bbm]**.. and make me look 14 **[Ab]** **[Bbm]**

### [Outro]

Or like **[Ab]** 10  
Or like 5  
Or like **[Bbm]** 2  
Like a baby  
Who**[Ab]**ever it is that you're gonna **[Bbm]** love so you'll be nice to me.  
**[Ab/]**
