

It's Too Bloody Hot! – Thomas Benjamin Esq – V1

[Intro]

[D] [B] [Em] [A]

[D] [B] [E] [A/]

[D] Sun, [B] Sun, [Em] beating down all [A] day,
It's just [D] no [B] fun [E] wasting away [A]
All the [Em] hours in [A] side
As [D] we attempt to [B] hide
From the [E] brutal, burning weather that has [A] headed our way
Stick the [D] fan [B] on, [Em] keep the curtains [A] closed
It seems [F#] strange when people [Bm] say,
[slowing]
That, des [E] pite the dire warnings on the forecasts every morning,
These [A] temperatures are [G#7] normal and [A7] OK [G#7] [A/]
[N.C.] Because

[Chorus]

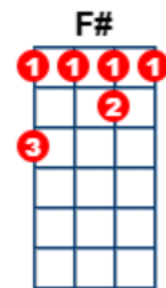

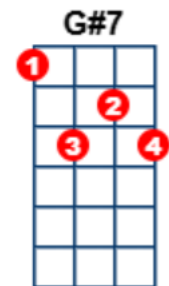

It's [D] too bloody hot!
It's [A] too bloody hot!
[G] It has been like this now for 3 [D] days on the trot,
I [G] appreciate the [G7] summer but I'll [D] tell you [B] what
It's [E] too bloody [A] hot!
It's [D] too bloody hot!
It's [A] too bloody hot!
Re[G]moving clothes and sitting still is [D] helping not a jot,
People [G] say 'Go out, en[G7]joy it!' but [D] I think [B] not because
It's [E] too [A] bloody [D] hot!

[Bridge]

My [G]pale and pasty form was not de[D]signed for this heat,
And I [A]know that it does no good to com[D]plain [Dsus4] [D7]
So I [B]guess I'll have to sit back and ad[Em]mit defeat,
Hunker [E] down at home and pray that there'll be [A] rain

[Chorus]

It's [D] too bloody hot!
It's [A] too bloody hot!
Even [G] in the sanctuary of that [D] nice shady spot
If you [G] have ideas for [G7] cooling down and I'll [D] give them a shot [B] because
It's [E] too [A] bloody [D] hot! [E] [A]
It's [D] too bloody hot!
It's [A] too bloody hot!

[G] It has been like this now for 3 [D] days on the trot,
I [G] appreciate the [G7] summer but I'll [D] tell you [B] what

It's [E] too bloody [A] hot!

It's [D] too bloody hot!

It's [A] too bloody hot!

Re[G]moving clothes and sitting still is [D] helping not a jot,

People [G] say 'Go out, en[G7]joy it!' but [D] I think [B] not because

It's [E] too [A] bloody [D] hot!

[Bridge]

My [G] pale and pasty form was not de[D]signed for this heat,

And I [A] know that it does no good to com[D]plain [Dsus4] [D7]

So I [B] guess I'll have to sit back and ad[Em]it defeat,

Hunker [E] down at home and pray that there'll be [A] rain

[Outro]

It's [D] too bloody hot!

It's [A] too bloody hot!

Even [G] in the sanctuary of that [D] nice shady spot

[B] So if you [G] have ideas for [G7] cooling down and I'll [D] give them a shot because

It's [E] too [A] bloody [D] hot! [D/]
