

Kickin Ass – Hugh Laurie – V1

Intro:

[G] [C] [D] (x2)

Well the [G] world is facin' [C] problems gettin' [G] bigger every day
We got a [G] greenhouse over [C] Texas and rec[D]ession's on the way
We got [C] hunger in the Third World, we got [G] anger in the First
[C] Half the world is floodin' and the [G] other's dyin' o' thirst

Al[C]though people tell you that this [G] planet's [D] dyin' [Em] fast [Em]
Well [C] I ain't seen a [G] problem yet can't be [D] solved by kickin' [G] ass

Kickin' [C] ass (Kickin' ass!)
Kickin' [G] ass is what we [D] do
Kickin' [C] ass (Kickin' ass!)
Iron [G] foot in the velvet [D] shoe

We [C] don't care whose ass we kick if we're [G] ever [D] all a[Em]lone [Em]
We just [C] stand in front of the [G] mirror, and [D] try and kick our [G] own

Well we [G] kicked ass in Grenada
And we [C] kicked ass in [G] Iraq
We [G] kicked the ass outta the [C] ozone layer
Now they [D] say we gotta kick it back

We'll [C] kick the ass of cancer
And we'll [G] kick [D] the ass of [Em] AIDS
And [C] as for global [G] warming, well,
Just [D] kick ass wearing [G] shades!

Kickin' [C] ass (Kickin' ass!)
Kickin' [G] ass is what we [D] do
Kickin' [C] ass (Kickin' ass!)
Iron [G] foot in the velvet [D] shoe

We [C] don't care whose ass we kick if we're [G] ever [D] all [Em] alone [Em]
We just [C] stand in front of the [G] mirror, and [D] try and kick our [G] own

Bridge

Well you can **[D]** move your ass
And haul your ass
And **[G]** bustin' ass is fine
And **[D]** there ain't a better place to put your **[G]** ass, than on the line
But **[C]** if you're like us, and you **[G]** won't take **[D]** second **[Em]** best
You'll **[C]** put your kickin' **[G]** boots on and **[D]** kick like all the **[G]** rest

Kickin' **[C]** ass (Kickin' ass!)
Kickin' **[G]** ass is what we **[D]** do
Kickin' **[C]** ass (Kickin' ass!)
Iron **[G]** foot in the velvet **[D]** shoe

We **[C]** don't care whose ass we kick if we're **[G]** ever **[D]** all **[Em]** alone **[Em]**
We just **[C]** stand in front of the **[G]** mirror, and **[D]** try and kick our **[G]** own
[F#/] [G/]
