

Four Seasons in one day - Crowded House v2

[Em] Four seasons [D] in one [G] day
[Am] Lying in the depths of your imagination

[Em] Four seasons [D] in one [G] day
[Am] Lying in the depths of your imagination
[Em] Worlds above and [D] worlds [G] below
The [Am] sun shines on the black clouds
Hanging over the do-[C]main
[Bm] Even when you're feeling [C] warm
The [Bm] temperature could drop a-[Am]way
Like [D] four seasons in one [G] day

[Em] Smiling as the [D] shit comes [G] down
[Am] You can tell a man from what he has to say
[Em] Everything gets [D] turned a[G]round
And [Bm] I will risk my neck again [C]
[Bm] You can take me where you [C] will
[Bm] Up the creek and through the [Am] mill
Like [Bm] all the things you [C] can't explain
[D] Four seasons in one [G] day

[C] Blood [C6] dries [G] up
Like [D] rain, like [Em] rain
[C] Fills my [G] cup
[D\] Like four seasons in one [Em] day

[Em] Four seasons [D] in one [G] day
[Am] Lying in the depths of your imagination

[Am] It doesn't pay to make predictions
[Em] Sleeping on an [D] unmade [G] bed
[Am] Finding out wherever there is comfort
There is [C] pain
[Bm] Only one step a-[C]way
Like [D] four seasons in one [G] day

[C] Blood [C6] dries [G] up
Like [D] rain, like [Em] rain
[C] Fills [C6] my [G] cup
[D\] Like four seasons in one [Em\] day
