

How Not to Drown - Chvches -V1

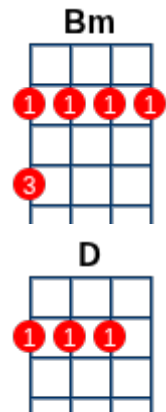

[Bm] I'm writin' a book on how to stay conscious when you **[D]** drown **[Dsus4]**
And if the words float up to the surface, I'll keep 'em down **[F#m]**
This is the first time I know **[Em]** I don't want the crown
You can take it now

[Bm] You promised the world and brought me it hangin' from a string **[D][Dsus4]**
Stuck it in my mouth, into my throat, told me to **[F#m]** sing
That was the first time I knew you can't **[Em]** kill the king
And those who kiss the ring

Chorus:

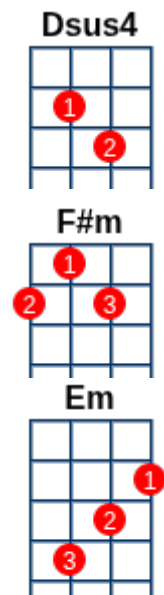

[Bm] Tell me how
It's better when the **[D]** sun goes down
We will never **[F#m]** escape this town
I wasn't **[Em]** scared when he caught me, look what it taught me

[Bm] Tell me how
It's better if I **[D]** make no sound
I will never **[F#m]** escape these doubts
I wasn't **[Em]** dead when they found me, watch as they pull me down **[Bm]**

Verse 2:

[Bm] I'm writing a chapter on what to do after they dig you up **[D]**
On what to do after you grew to hate what you used to love **[F#m]**
That was the first time I knew they were
[Em] out for blood and they would have your guts

Chorus:

[Bm] Tell me how
It's better when the **[D]** sun goes down
We will never **[F#m]** escape this town
I wasn't **[Em]** scared when he caught me, look what it taught me

[Bm] Tell me how
It's better if I **[D]** make no sound
I will never **[F#m]** escape these doubts
I wasn't **[Em]** dead when they found me, watch as they pull me down **[Bm]**
