

Airplane over the Sea - Neutral Milk Hotel - v1

[Intro]

[G] [Em] [C] [D]

[Verse 1]

[G] What a beautiful [Em] face I have found in this [C] place,
that is circling [D] all 'round the sun

[G] What a beautiful [Em] dream that could flash on the [C] screen,
in a blink of an [D] eye and be gone from [G] me

Soft [Em] and sweet, let me [C] hold it close and [D] keep it here [G] with me [Em] [C] [D]

[Verse 2]

[G] And one day we will [Em] die,
and our ashes will [C] fly from the aeroplane [D] over the sea

[G] But for now we are [Em] young,

let us lay in the [C] sun, and count every [D] beautiful thing we can [G] see

Love [Em] to be, in the [C] arms of all I'm [D] keeping here [G] with me [Em] [C] [D]

[Interlude]

[Em] [C] [G] [D] [Em] [C] [G] [D]

[Verse 3]

[G] What a curious [Em] life we have found here to [C] night,
there is music that [D] sounds from the street

[G] There are lights in the [Em] clouds,

Anna's ghost all [C] around hear her voice as its
roll [D] ing and ringing through [G] me

Soft [Em] and sweet, how the [C] notes all bend and [D] reach above the [G] trees
[Em] [C] [D]

[Bridge]

[Em] Oh how I remember [C] you, how I would push my fingers [G] through your mouth
To make those muscles [D] move, that made your voice so smooth and [Em] sweet

But now we keep where we don't [C] know, all secrets sleep in winter [G] clothes

With one you loved so long [D] ago, now he don't even know [Em] his name [C] [G]
[D]

[Verse 4]

[G] What a beautiful [Em] face I have found in this [C] place,
that is circling [D] all 'round the sun

[G] And when we meet on a [Em] cloud,

I'll be laughing out [C] loud, I'll be laughing with [D] everyone I [G] see

Can't [Em] believe how [C] strange it is to [D] be anything [G] at all [Em] [C] [D] [G/]
