

Amie – Damien Rice – V1

[Intro]

[D] [A] [Bm] [G]

[Verse]

[D] Nothing Unusual [A] Nothing Strange

[Bm] Close to nothing at [G] all

[Em] The same old scenario [Bm] the same old rain

[G] And there's no explosions [A] here

[D] Then something unusual [A] something strange

[Bm] Comes from nothing at [G] all

[Em] I saw a spaceship [Bm] fly by your window

[G] Did you see it disappear [A]

[Chorus]

[Bm] Amie come sit on my [G] wall

And [A] read me the story of [D] O

And [G] tell it like you still believe

That the end of the [Em] century

Brings a [A] change for you and me

[Verse]

[D] Nothing unusual [A] nothing's changed

[Bm] Just a little older that's [G] all

You [Em] know when you've found it

[Bm] There's something I've learned

Cause you [G] feel it when they take it away [A]

[A] hey [A] hey hey...

[D] Something unusual [A] something strange

[Bm] Comes from nothing at [G] all

But [Em] I'm not a miracle and [Bm] you are not a saint

Just [G] another soldier on a [A] road to nowhere

[Chorus]

[Bm] Amie come sit on my [G] wall

And [A] read me the story of [D] O

And [G] tell it like you still believe

That the end of the [Em] century

Brings a [A] change for you and me
