

# Close to Me – The Cure – V1

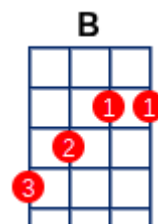

## [Intro]

[B] [G#m] [F#] x3

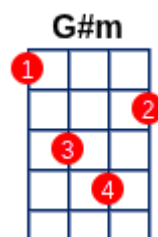

## [Verse]

[B] I've waited hours for this  
I've made myself so sick  
I [G#m] wish I'd stayed  
as [F#]leep today  
I [B] never thought this day would end  
I never thought tonight could [G#m] ever be  
this [F#] close to me

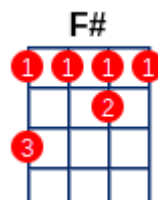

## [Verse 2]

[B] Just try to see in the dark  
just try to make it work  
to [G#m] feel the fear, before you're [F#] here  
I [B] make the shapes come much too close  
I pull my eyes out hold my [G#m] breath and wait,  
until I [F#] shake...

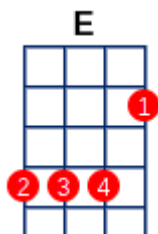

## [Bridge]

[E] But if I had your faith  
then I could make it safe and [B] clean  
[E] If only I was sure  
that my head on the door was a [B] dream

## [Instrumental]

[B] [G#m] [F#] x2

## [Verse]

[B] I've waited hours for this  
I've made myself so sick  
I [G#m] wish I'd stayed as [F#]leep today  
[B] I never thought this day would end  
I never thought tonight could [G#m] ever be  
this [F#] close to me

## [Bridge]

[E] But if I had your face  
then I could make it safe and [B] clean  
[E] if only I was sure that my head on the door was a dream [B]

(Repeat B G#m F# chords as long as you want – Kazoo/ trumpet/ melodica and wardrobe solo)
