[Intro]

[G] [GM7] [Cadd9] x 3

[Bb] [Am] [G]

A Hydro-[G]field cuts through [GM7]my neighbor[Cadd9]hood
 Somehow that [G] always just [GM7] made me feel [Cadd9] good
 I can [G] put a spare [GM7] bulb in my hand [Cadd9] And light up my [Bb]
 yard [Am] [G]

Late at [G] night when the [GM7] wires in the [Cadd9] walls
 Sing in [G] tune with the [GM7] din of the [Cadd9] falls
 I'm [G] conducting it [GM7] all while I [Cadd9] sleep
 To light this whole [Bb] town [Am] [G]

[Chorus]

If you ques[Em7]tion what [D] I would [G] do
 To get [Em7] over and [D] be with [G] you
 Lift you [Em7] up over [D] everything [G]
 To light up my [Bb] room [Am] [G]

[G] [GM7] [Cadd9]
 [G] [GM7] [Cadd9]

There's a [G] shopping cart [GM7] in the rav[Cadd9]ine
 The foam on the creek [G] is like [GM7] pop and ice [Cadd9] cream
 A field full of [G] tires that is [GM7] always on [Cadd9] fire
 To light my way [Bb] home [Am] [G]

There are [G] luxuries [GM7] we can't aff[Cadd9]ord
 But in [G] our house we [GM7] never get [Cadd9] bored
 We can [G] dance to the [GM7] radio [Cadd9] station
 That plays in our [Bb] teeth [Am] [G]

[Chorus]

If you ques[Em7]tion [D] what I [G] would do
 To get [Em7] over and [D] be with [G] you
 Lift you [Em7] up over [D] everything [G]
 To [G] light up my [Bb] room [Am] [G]
my room [C] [G]

A Hydro-[G]field cuts through [GM7] my neighbor[Cadd9]hood
 Somehow that [G] always just [GM7] made me feel [Cadd9] good
 I can [G] put a spare [GM7] bulb in my hand [Cadd9]
 And light up my [Bb] yard [Am] [G]
light up my [Bb] yard [Am] [G]
light up my [Bb] yard [Am] [G/]
