Verse 1: Quiet

[C] I spent my time [Em] watchin' the [G] spaces that have grown between [C] us.
And I cut my mind on [Em] second best or the [G] scars that come with the [C] greeness.
And I gave my eyes to the [Em] boredom, still the [G] seabed wouldn't let me [C] in,
And I tried my best to embrace the [Em] darkness [G] in which I [C] swim [C]

[Verse 2]: Louder

[C] I'm walkin' back down this [Em] mountain with the [G] strength of a turnin' ti[C]de
Oh the wind's so soft on my [Em] skin, the [G] sun so hard upon my [C] side.
Oh lookin' out at this [Em] happiness, I [G] search for between the [C] sheets.
Oh feelin' blind and [Em] realize, [G] all I was searchin' for was [C] me [C]
[Em] Ooh [G] all I was searchin' for [C] was me. [D] ooohhhh

[Chorus]

[Em] Keep your head up, [D] keep your heart [C] strong, no, no, no, no.
[Em] Keep your mind set, [D] keep your hair [C] long. Oh my my darlin'
[Em] Keep your head up, [D] keep your heart [C] strong, no no no no.
[Em] Keep your mind set [D] in your ways, keep your heart [C] strong [C/]

[Verse 3]:

[C] I saw a friend of mine the o[Em]ther day,
and he [G] told me that my eyes were glea[C]min'.
Oh I said I had been away, and he [Em] knew,
oh he [G] knew the depths I was [C] meanin'.
And it felt so good to see his [Em] face, or the [G] comfort invested in my [C] soul.
Oh to feel the warmth of a sm[Em]ile,
when he said "I'm h[G]appy to have you [C] home. [C]
[Em] Ooh I'm [G] happy to have you h[C]ome." [D]

[Chorus]

[Em] Keep your head up, [D] keep your heart [C] strong, no, no, no, no.
[Em] Keep your mind set, [D] keep your hair [C] long. Oh my my darlin'
[Em] Keep your head up, [D] keep your heart [C] strong, no no no no.
[Em] Keep your mind set [D] in your ways, keep your heart [C] strong [C/]
'(Quiet) Cause I'll [Em] always re[G]member you the [C] same.
Oh [Em] eyes like wild [G] flowers within de[C]mons of change.

(Loud) [Em] Keep your head up, [D] keep your heart [C] strong, no, no, no, no.
[Em] Keep your mind set, [D] keep your hair [C] long. Oh my my darlin'
[Em] Keep your head up, [D] keep your heart [C] strong, no no no no.
[Em] Keep your mind set [D] in your ways, keep your heart [C] strong.
(Quiet) 'Cause I'll [Em] always re[G]member you the [C] same.
Oh [Em] eyes like wild [G] flowers within de[C]mons of change [Em/]
