[G] I wrote this song two [Bm] hours before we [C] met
[G] I didn't know your name or [Bm] what you looked like [C] yet, Oh
[C] I could have [D] stayed at home and [Bm] gone to [E] bed
[C] I could have [D] gone to see a film [Bm] instead [E]
[Bm] You might have [E] changed your mind and [Am] seen your [D] friends
[Bm] Life [E] could have been very [Am] different but then [D] [Am7]
Something [D/] changed

[G] Do you believe that there's [Bm] someone up [C] above
[G] And does he have a timetable [Bm] directing acts of [C] love
[C] Why did I [D] write this song on [Bm] that one [E] day
[C] Why did you [D] touch my hand and [Bm] softly [E] say
[Bm] Stop asking [E] questions that don't matter [Am] any[D]way
[Bm] Just give us a [E] kiss to celebrate [Am] here today [D] [Am7]
Something [D/] changed

[C] When we woke up that [D] morning we had [Bm] no way of [E] knowing
That in a [C] matter of [D] hours we change the [Bm] way we were [E] going
[Bm] Where would I [E] be now, [Bm] where would I [E] be now if we [Am] never [D] met
[Bm] Would I be [E] singing this song to [Am] someone else in[D]stead
I don't [Am7] know, but like you just [D/] said
