Intro - [Dm] x4

[Dm] The summer sun is fading as the [C] year grows old

[Bb] And [F] darker [Gm] days are [F] drawing [C] near

[Bb] The winter winds will be much [C] colder [C/]

Now you're not [Dm] here.

(repeat intro) - [Dm] x4

[Dm] I watch the birds fly south across the [C] autumn sky

[Bb] And [F] one by [Gm] one they [F] disa[C]ppear.

[Bb] I wish that I was flying [C] with them [C/]

Now you're not [Dm] here [Dm]

[Chorus]

[Bb] Like the [F] sun through the [Eb] trees you came to [Dm] love me

[Bb] Like a [F] leaf on a [Eb] breeze you blew [Dm] away... [Ebmaj7/]

(repeat intro) - [Dm] x4

[Dm] Through autumn's golden gown we used to [C] kick our way

[Bb] You [F] always [Gm] loved this [F] time of [C] year.

[Bb] Those fallen leaves lie undis[C]turbed now

'Cause you're not [Dm] here. 'Cause you're not [C] here [C/]

'Cause you're not [Dm] here.

[Chorus]

[Bb] Like the [F] sun through the [Eb] trees you came to [Dm]

love me

[Bb] Like a [F] leaf on a [Eb] breeze you blew [Dm] away... [Ebmaj7/]

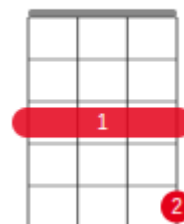

(repeat intro) - [Dm] x4

[Dm] A gentle rain falls softly on my [C] weary eyes

[Bb] As [F] if to [Gm] hide a [F] lonely [C] tear

[Bb] My life will be forever [C] autumn...

Ebmaj7

[Outro]

'Cause you're not [Dm] here. 'Cause you're not [C] here.

'Cause you're not [Dm] here. 'Cause you're not [C] here.

'Cause you're not [Dm/] here.
