[Intro]

[G] [GM7] [Cadd9] x 3
[Bb] [Am] [G]

A Hydro-[G]field cuts through [GM7]my neighbor[Cadd9]hood
Somehow that [G] always just [GM7] made me feel [Cadd9] good
I can [G] put a spare [GM7] bulb in my hand [Cadd9]
And light up my [Bb] yard [Am] [G]

Late at [G] night when the [GM7] wires in the [Cadd9] walls
Sing in [G] tune with the [GM7] din of the [Cadd9] falls
I'm [G] conducting it [GM7] all while I [Cadd9] sleep
To light this whole [Bb] town [Am] [G]

[Chorus]

If you ques[Em7]tion what [D] I would [G] do
To get [Em7] over and [D] be with [G] you
Lift you [Em7] up over [D] everything [G]
To light up my [Bb] room [Am] [G]

[G] [GM7] [Cadd9]
[G] [GM7] [Cadd9]

There's a [G] shopping cart [GM7] in the rav[Cadd9]ine
The foam on the creek [G] is like [GM7] pop and ice [Cadd9] cream
A field full of [G] tires that is [GM7] always on [Cadd9] fire
To light my way [Bb] home [Am] [G]

There are [G] luxuries [GM7] we can't aff[Cadd9]ord
But in [G] our house we [GM7] never get [Cadd9] bored
We can [G] dance to the [GM7] radio [Cadd9] station
That plays in our [Bb] teeth [Am] [G]

[Chorus]

If you ques[Em7]tion [D] what I [G] would do
To get [Em7] over and [D] be with [G] you
Lift you [Em7] up over [D] everything [G]
To [G] light up my [Bb] room [Am] [G]
.....[Bb] room [Am] [G]

A Hydro-[G]field cuts through [GM7] my neighbor[Cadd9]hood
Somehow that [G] always just [GM7] made me feel [Cadd9] good
I can [G] put a spare [GM7] bulb in my hand [Cadd9]
And light up my [Bb] yard [Am] [G]
....light up my [Bb] yard [Am] [G]
